### God who parted the Red Sea

**Scripture to read: Exodus 14 chapter**

The Lord brought the people of Israel out of the land of Egypt like an army. God led them in a roundabout way through the wilderness toward the Red Sea. The Lord went ahead of them. He guided them during the day with a pillar of cloud, and he provided light at night with a pillar of fire. And the Lord did not remove the pillar of cloud or pillar of fire from its place in front of the people. When word reached Pharaoh that the Israelites had fled, and are trapped in the wilderness. Knowing where the Israelites had camped Pharaoh harnessed his chariot and called up his troops. He took with him 600 of Egypt's best chariots and chased after them. The people of Israel looked up and panicked when they saw the Egyptians overtaking them and the Red Sea before them and started a fight with Moses. But Moses told the people, The Lord himself will fight for you. Just stay calm." Then the Lord said to Moses, pick up your staff and raise your hand over the sea. Divide the water so the Israelites can walk through the middle of the sea on dry ground.

Children, did you'll see the miraculous act of the Lord who protected like an apple of his eye. Pharaoh who was hard at heart did not repent at all. Seeing pharaoh's army approaching to somehow destroy the Israelites, the Lord said to Moses, "Raise your hand over the sea again. Then the waters will rush back and cover the Egyptians and their chariots and charioteers. When Moses did what the Lord had told him, the waters returned and covered all the chariots and charioteers, not a single one survived. If you're affected by your school friends or relatives and have been hurt by their words, you should not be angry with them instead you should forgive them. The Lord, who was with the people of Israelites as a pillar of cloud and like a pillar of fire, will be your guide in times of trouble and will lead you'll.

**When you walk, their counsel will lead you. When you sleep, they will protect you. When you wake up, they will advise you. Proverbs 6:22**
