Two stone tablets

Bible read: Exodus 34th Chapter

YAHWEH God asked Moses to prepare 2 stone tablets and bring it to mountain. So Moses prepared 2 stone tablets and went meet God in mountain. When Moses saw the glory of God he worshipped and praised HIM saying the YAHWEH God, merciful and gracious, longsuffering and abundant in goodness and truth. Then God spoke to Moses and said observe all the commandments i give you today. I will drive out Amorite, Canaanite, Hittite, Perzine, Hivite and the Jebu site. God also told to be careful and not to make any covenant with the inhabitants of of the land which will turn into snare for the Israelite and he must destroy the altars, break the images and cut down the groves of pagan gods and worship no other gods but only YAHWEH God. Then God wrote the ten commandments on the new stone tablets which Moses took it to mountain.

What did you learn from above reading children? You might have seen how Moses worshipped God. Humbled himself surrendered totally to God and worshipped. How do we worship our God? Are we taking worship very casually? No dears. We must have reverence before the Almighty God and pray unto HIM. Before worshipping God, we must examine our life and check whether we are living according to HIS commandments. So, we must always learn to be obedient to our parents, elders and teachers. If you live like this and worship God, HE will be very happy about you and bless you.

Psalms 149:4. For the Lord delights in HIS people; HE crowns the humble with victory

Prayer:

Heavenly Father,

We want to live a life that s pleasing to you give glory honour and praise to you and you alone. Speak to us as spoke to Moses and lead us in your ways. In Jesus most holy name I pray. Amen.
