

God Honors Moses

Scripture reading: Deuteronomy 18, 31, 32

Who's the most important person of our country? Why do all people honor him? Isn't it because he labors for the nation seeking its peace and prosperity?

Moses was a faithful servant. He served the Lord with all of his heart and might. Because of that he served the fragile and sinful people of Israel whole heartedly with humility.

Moses trusted in the Lord. He was desperate to serve God faithfully. God spoke to him face to face just as a man would speak to his friend. Moses looked at the people of Israel and said, "I am 120 years of age now. My time is over". He therefore appointed Joshua as his successor (Deuteronomy 31:1-8). Joshua was one among the two spies who spoke faith and boldness.

God asked Moses to come to the mount of Nebo. From that mountain top Moses could see all the land of Canaan. The land was very beautiful and prosperous. He was very glad to see the land that the people of God would inherit.

On the mountain peak, Moses breathed his last at the age of 120. God buried Moses. No one knows that place. It is such an honorable end. He spent his last hours with God. God himself buried Moses because; he obeyed and faithfully served the Lord with all his heart.

God has declared in the bible, "I will honor those who honor me". God did accordingly to Moses. Even if we obey God and serve him faithfully, just as God honored Moses He will honor us.
