## Leviticus

**Scripture to read: Leviticus 10, 19<sup>th</sup> chapter**

In the Holy Bible, Leviticus is the third book. Moses was the author of this book. He has told the importance of the worship of the Lord and the manner of how to worship him. Aaron's sons Nadab and Abihu were working in the Tabernacle. They disobeyed the Lord by burning before him the wrong kind of fire, different than he had commanded. So, fire blazed forth from the Lord's presence and burned them up. The Lord had already commanded them that the fire should be taken from the temple itself when they burn incense before the Lord. The Lord had already told, you must be Holy because I, the Lord your God, am Holy. The Lord has also told, "Do not seek revenge or bear a grudge against a fellow Israelite, but love your neighbor as yourself.

My dear Children, did you'll see how Nadab and Abihu was punished. We should approach the Lord with reverence and fear. We should not handle the Lord's work as we do with our worldly work. We should live according to the commands and the desire of the Lord. We can get near our Holy God only when we lead a Holy life. If anyone does harm to you, you should not try to harm them and offend them in return. If you think of doing evil for evil, then that means retaliating for what they have done. Rather than being envious we should show Love. When you fall sick, will you not earnestly pray unto the Lord? In the same way, when you come to know about others sickness, you should also pray fervently for them.

**Don't just pretend to love others. Really love them. Hate what is wrong. Hold tightly to what is good.**  
**Romans 12:09**

### Prayer:

Gracious, Loving heavenly father. Bless us with virtues like Love, compassion and forgiveness Lord. We will live as children who are concerned about others. Amen
