## Deuteronomy

Scripture to read: Deuteronomy 6: 1-12

Deuteronomy is the fifth book written by Moses. Through this book, Moses reminds the people of Israel about all that the Lord had done for them and all the decrees and commands that he gave them. After which Moses died without entering Canaan the Promised Land. When Moses knew about his death, he prepared Joshua to lead the people of Israelites and then blessed the people saying, the Lord reminds you again and again, "You and your children and grandchildren must fear the Lord your God as long as you live. If you obey all his decrees and commands and if you want to enjoy a long life, "you must love the Lord your God with all your heart, all your soul, and all your strength".

Children, did not a question arise in you asking, why was Moses who wrote the first five books of the Old Testament through the help of the Holy Spirit forbidden to enter into the land of Canaan? Only Caleb, Joshua and the children born to the Israelites in the wilderness were allowed to enter into Canaan. None of the Israelites who came from Egypt were allowed into the land because of violating the commands of the Lord. Even Moses, once when the Lord told him to hit the rock once, he hit the rock twice. No matter how much ever bigger work we do for the Lord, he is not a respecter of person; our God is a righteous Judge. Everyone is equal in his sight. Children, if you want to lead a blessed life and have fellowship with him, if you want to live in his kingdom, you have to hold on to the commands and decrees of the Lord faithfully and wholeheartedly.

**For no one has ever shown the mighty power or performed the awesome deeds that Moses did in the sight of all Israel. Deuteronomy 34:12**

### Prayer:

Righteous King, please forgive all our wrongdoings Father. We understood that even a small fault is sin and we will not do it again Lord. Amen
