Victory over enemy

scripture to read: judges 7th chapter

After seeing those miracles Gideon believed that God is with them. So, he went out and sent message to while Israelites about doing war against midianites. Immediately 32000 people gathered. Gideon was so happy. But Jehovah God said "No, people are too much; they will not realise that I have them victory." When Gideon announced those, who are newly got married and built house can go home, 22000 people left. Father God said even this is too much. Next, he filtered people by a test and finally only 300 people were with Gideon. Jehovah was happy but Gideon was not. God wants to strengthen the faith of Gideon so asked him to go to enemy's tent to see a miracle. When Gideon went to midianites camp, he saw and heard all of them were afraid of Gideon and his God. Then he worshiped God and returned to the camp of Israel and said, Arise, for the Lord has given into yours hand the host of Midian. Now Gideon was very strong in faith. So, he took 300 Pele and went against the millions of midianites with trumpets. When they went to enemy's camp they blew trumpet and praised God Jehovah. God caused enemies to raise against them self. So, they killed each other and died. Gideon called all his brothermen to take the possessions of midianites. They had great victory on that day. Then Gideon judged Israel for many years.

Little Stars, are you still wondering why did God avoided too many people and chosen only 300 people...? You see the main reason JEHOVAH is delivering HIS people from enemy is they must repent and become good. So, that they can live peacefully for longer life. But if they become arrogant after victory and start thinking they won their enemies by their own strength, that pride will kill them. So, God wants them know that it's HE that deliver their enemies into their hand. They must depend on HIM. So, you too must always depend on our heavenly Father Jehovah. Not by our power nor by night but by HIS SPIRIT we will win against all our enemies. Will you trust only on God...? Common let's pray.

When the 300 Israelites blew their rams' horns, the Lord caused the warriors in the camp to fight against each other with their swords. Judges 7:1-25

Prayer

Sovereign God, King of kings and Lord of lords our Father Jehovah, we trust only in You and take rest in Your presence. Thank you for Your victory. In Jesus, most holy name I pray. Amen.

GIDEON'S ARMY

Gideon had a small army. They had to fight the Midianites, a large army. God told Gideon to light torches, cover them with pitchers, and go into the enemy camp.
