

The Purpose of Our Life on Earth

Scripture Reading: Exodus 2:1-9

Moses was born in a time when Pharaoh sent orders in Egypt to kill all the male children of the Israelites. But the mother of Moses hid him in her house for three months. When she could hide him no longer, she got a papyrus basket for him and coated it with tar and pitch. Then she placed the child in it and put it among the reeds along the bank of the River Nile.

When Pharaoh's daughter came down to bathe in the river, she saw the basket and heard the baby cry. She took the child and by a stroke of luck gave him into the hands of Moses' mother to nurse the child. God had a great plan and purpose for Moses, therefore was he saved. God had planned to do greater things through Moses and Pharaoh couldn't stop it. God worked it out for Moses to be brought up in the house of the king who tried to kill him.

God has a great plan and purpose over your life. It is God's plan for you to be born in this family, in this time frame and everything concerning your life. Our life should be blessed. It is God's will for us to achieve great things. It is not God's will for us to live a very simple life and die without achieving anything.

God will do mighty things through you. God is willing to use you even greater than what you could think of. God will make you the head and not the tail, you will be above and not beneath. Know your purpose and work towards its fulfillment. None can hinder the work of God towards your life in fulfilling His purpose over you. Many who've not realized this have driven themselves towards destruction. To end our life is not the solution for all our problems. To fulfill the plans of God over our life should be our primary goal. Have you ever strived to know the purpose of God over your life? Do you know that you're heading towards hell when you destroy yourself?
