

You are special

Scripture Reading: Matthew 10:15-31

You would've seen sparrows and how tiny they are. In the days of our Lord Jesus Christ living in this world, two sparrows were sold for one penny. One penny refers to one day's wages. These sparrows are very beautiful. Jesus said that none of these sparrows will fall to the ground (die) without the Father's will.

Jesus said that even the hairs on our head are numbered. Therefore, we should not be worried or dismayed regarding anything. How will I finish my education? How will my future be? Will I be able to score good marks? Will my friends accept me? Will I be delivered from my sickness? Will the problems in my family be solved? Will that which I desire come to pass? Can I live a sin free life? Will I be able to depart from all form of evil and live a life that pleases God? Aren't we tossed to and fro with so many thoughts about life?

Our worry will do us no good but rather it will bring negative impacts. Our worry causes our blood pressure to increase which will in turn cause so many sicknesses in the body. This will reduce the lifespan of a person.

Jesus said that you are of more value than many sparrows. When we rise up and are determined to live for our Lord Jesus Christ, there will many temptations that come against us. But God will give us the strength to overcome them all. God will strengthen us to face problems and persecutions for the sake of our Lord Jesus Christ. To make you a special person, to make you a worry free person, surrender yourself to the Lord Jesus Christ who has engraved you on the palms of His hands. God will do great and mighty things through you.

Nothing will happen in your life without the permission of God. Have this in your mind and live life with all boldness. Our Lord Jesus Christ is with you always, even to the end of the world. Amen
