Jesus heals a man with leprosy.

Scripture reading: Luke 5:12-15

In one of the villages, Jesus met a man with an advanced case of leprosy. When the man saw Jesus, he bowed with his face to the ground, begging to be healed. "Lord," he said, "if you are willing, you can heal me and make me clean." Jesus reached out and touched him. "I am willing," he said. "Be healed!" And instantly the leprosy disappeared. Then Jesus instructed him not to tell anyone what had happened. He said, "Go to the priest and let him examine you. Take along the offering required in the Law of Moses for those who have been healed of leprosy. This will be a public testimony that you have been cleansed." But despite Jesus' instructions, the report of his power spread even faster, and vast crowds came to hear him preach and to be healed of their diseases. But Jesus often withdrew to the wilderness for prayer.

Hello there, another fantastic miracle to meditate. In those days in Judea, leprosy was an ultimate disease that is considered as the punishment for their sin. So who ever affected by leper will be sent away from the society and people will not have any contract with them. During time, thus man with leper contacts Jesus Christ and received his miracle. I want you to see three things in it.

1. His faith in Jesus - he had firm faith in Jesus that is they he was dare to come and see Jesus Christ to pray. Many times we just leave it because we don't have faith.
2. His humbleness in prayer - he prays to Jesus that if it is YOUR will, heal me. Many times we just ask what at we want. But we must learn to ask what God's will for our life is.
3. His obedience - once healed, he went to synagogue and did what Jesus told him to do it.

Are you in need of anything honey...? Are you afraid to tell or ask your parent about it...? Don't worry, we have a wonderful friend, Father who can understand everything. Come to Jesus, let us pray.

You shall love the Lord your God with all your heart, with all your soul, and with all your strength.
Deuteronomy 6:5
