Prophet Nahum and city of Nineveh

scripture reading: book of Nahum

This is the second time warning to the people of Nineveh by Nahum. We had meditated about Jonah's first prophetic warning to Nineveh. When Jonah preached the prophecy in Nineveh, people of Nineveh repented and prayed to God. So God also forgave them and did not destroy. But after that generation passed away, the new generation which did not know about God went back to sinful thoughts and deeds. When the northern part of Israel went away from God's commandment, God allowed the Assyrians in Nineveh to subdue the people of Israel. They were very much violent and cruel to the people of Israel. People of Nineveh and Israel changed; but our God is same like yesterday, today and forever. God sent Nahum to Nineveh again to warn the people about their sins. But unfortunately this time the people of Nineveh did not listen to Nahum and did not obey the word of God. So their presumptuous sins and transgression brought the disaster to Nineveh.

My Dear little stars

How do you getting on with this scriptures? Is it difficult to understand? Ok I will try to make it easy. Nahum also is a prophet like Jonah, but loved after 2 generations. God sent Nahum to Nineveh to warn about their sin and if they don't repent they will be destroyed. As we saw above, the people of Nineveh did not obey this time like lay time with Jonah. So they had to face the destruction. Why did they not obey and where did it go wrong? The previous generation that tasted the forgiveness and mercy of the Lord God Almighty did not pass it on to their children and the new generation. That's where problem started. When the older generation that knows the love of God passed away, the newer generation that did not know God and HIS love while they are fully involved in sin and violence could not believe the prophecy of Nahum. That led their destruction. So it's our duty to tell and pass it on the message of love, forgiveness and mercy to our juniors or next generation. So that they will not perish but seek the Lord and have eternal life. Will you share the love of our God to your juniors, Lkg and Ukg students? Come we shall pray.

Then they said to each other, "What we're doing is not right. This is a day of good news and we are keeping it to ourselves. If we wait until daylight, punishment will overtake us. Let's go at once and report this to the royal palace." 2king 7:9

Prayer

Heavenly Father, teach me to teach the younger ones about your love, grace and mercies. In Jesus mighty name and in the presence of Holy Spirit I pray. Amen.
