## Job

### Scripture Reading: Job 1:1-5

There was a man in the land of Uz, whose name was Job. He was blameless and upright, and one who feared God and shunned evil. He had seven sons and three daughters. His possessions were seven thousand sheep, three thousand camels, five hundred yoke of oxen, five hundred female donkeys and a very large household. He was the greatest of all the people of the east. His sons and daughters would feast in their houses in family gatherings. Job would always sacrifice burnt offerings after the feasts because of the uncertainty that their children would've sinned against the Lord.

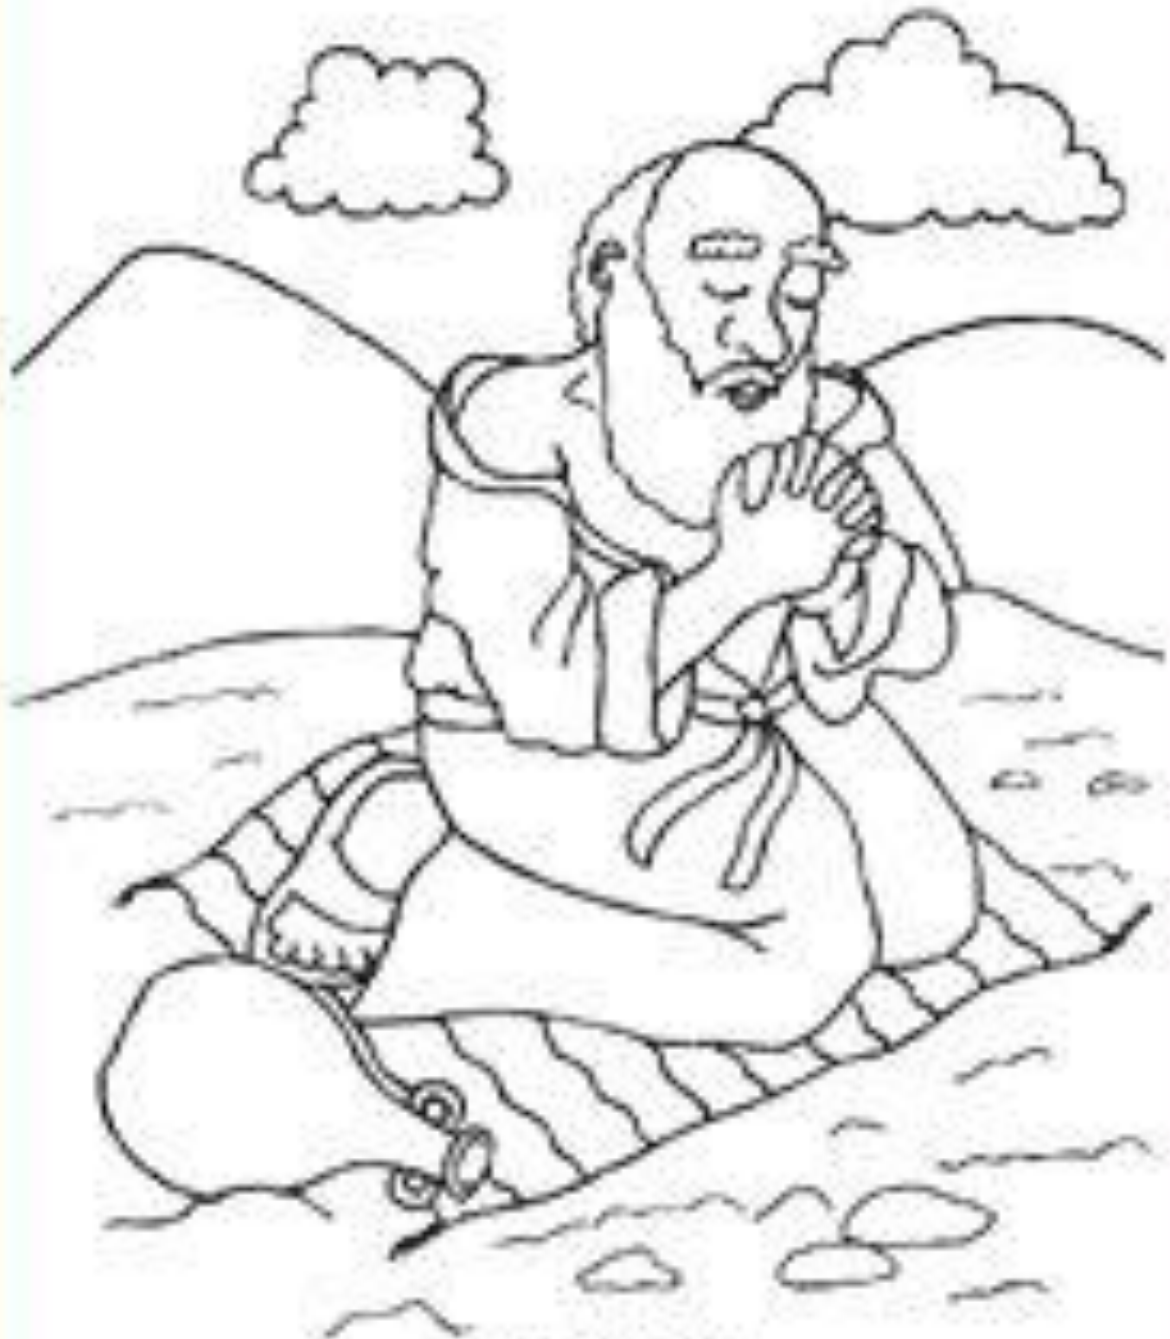

Dear children, did you see the greatness of this multimillionaire? What would you say if someone in these days possessed 7000 cars, 5000 flights and 500 trucks? He will surely be a multimillionaire. It is a usual sight that rich people are proud and are very confident that their money can attain anything for them. But Job was unlike the other rich folks. He was honest and feared God in all that he did. What do we mean when we say that Job feared God? That means that he was cautious that God is looking at him from the heavens and he should not do anything that hurts God or that which God hates. Dear children, do you'll desire to be blessed like Job? From your very small age learn to be honest, obedient, and humble and put your trust in the Lord, then you will surely be blessed. That doesn't mean that all will be multimillionaires, but nevertheless, God will keep you away from all financial difficulties and meet all your needs in glory by Christ Jesus.

***As it is written: "The one who gathered much did not have too much, and the one who gathered little did not have too little." 2 Corinthians 8:15***
