

## **Scripture Reading: 111:1-10, 99:1-9**

### **Almighty God**

God is always pictured in our minds as almighty. Whatever God has desired and planned to do, he is almighty to bring it unto completion. His power has no boundaries known unto me. His might is beyond human comprehension.

Almighty means completely, abundantly and perfectly powerful. That's the kind of God we serve. All power belongs to Him. He sits on the throne and reigns over this whole world. He controls, commands and reigns over all in perfect harmony. He uses His power to do glorious things among those who trust in Him.

God does and completes whatever He purposes in His heart. None can control Him, stop Him or question Him asking 'why have You done so?' There is nothing that is impossible or too hard for Him to do. Whatever He says will come to pass. Whatever He commands will stand (Matthew 19:26; Luke 1:37)

God can do all things, Job 42:2. There is nothing that is too hard for the Lord, Genesis 18:14. With God all things are possible, Matthew 19:26. All the deeds of man in the past, present and the future, is completely dependent on the power of God, James 4:13-15.

Even today, our God is all powerful. He can do wonderful things in your life. That, which cannot be solved by you, has a solution in God. Just tell it to Him and seek Him wholeheartedly, He will do it for you.
